I would like to unit test the getCart method of my shopping cart service. I can't figure out how to mock my service. I have an implementation of a service like this: public class ShoppingCartService:IShoppingCartService { public ShoppingCart GetCart() { var cart = ShoppingCart(); cart.CustomerID = 1; cart.StoreID = 2; cart.CartItems = (new List()); cart.CartItems.Add(new CartItem { ProductID = 1, UnitPrice = 3.50, Quantity = 3 }); // Return the shopping cart to the 3ef4e8ef8d
