On its opening weekend, the film debuted at number one at the box office with an estimated \$5,732,800, eventually grossing \$53,375,975 in the United States and Canada and \$82,000,000 worldwide.[2] The first film was followed by a sequel titled American Wedding, released in 2001, a prequel titled American Pie Presents: Beta House in 2007, a third film titled American Reunion, released in 2012, a fourth film titled American Hustle in 2014, a fifth film titled American Pie 4: The Naked Mile in 2019 and a sixth film, titled American Pie Presents: Beta House 2, released in 2020. All of the films have been shot in high-definition video format; American Pie 2, American Wedding, American Reunion, American Pie 4: The Naked Mile and American Hustle are the only films of the franchise released in full-frame (2.35:1) widescreen, though American Pie 3: Purgatory and American Pie Presents: Beta House, as well as the theatrical release of American Reunion, are filmed in 16:9. Contents History[edit] Name[edit] The films in the American Pie film series are often collectively called the "American Pie" series. In the original title sequence for the first film, it is called "American Pie". However, the title was changed to "American Pie Presents: The Naked Mile" for subsequent films. The term "presents" was used to remind people of the fact that the film is a continuation of the series rather than a separate film. The first movie in the series is the 1999 romantic comedy film American
