

- officially ... tansvst will never see the light of day. from the Sugar Bytes kvr forum: "Now TransVST has been definitively rejected."  Translation from English: Thank you all for such support and attention to our petition. TransVST will not be released this week as of May 10, 2013, so don't waste your time and money buying and downloading TransVST, including through Sugar, as the product will not be released." TransVST was rejected. I hope you enjoy it in the future! For those who bought it on iTunes, that means you won't get it for free.
