The launch coincides with the start of an exciting new campaign. 'Get Your Vote At Metro: The One Ticket Campaign'. Metro Media has put together a compelling video on the campaign with incredible insight, advice and encouragement from the local community. We hope you enjoy and look forward to seeing the video come to a neighbourhood near you. To find out more, visitMetro Media Online for the launch of the 'One Ticket'campaign and make your voice heard!Q: iPhone app not running in real device I have an iOS app that has been designed for iPhone, but it doesn't work correctly when it is run on the real iPhone. When I run it on simulator, it works well, but the real iPhone shows the blank screen. I tried deleting the app and reinstalling it. But, there was no help. A: I had a similar problem with an app that I recently developed. I got the same error message. Two suggestions that seemed to work for me are: Clean the project Delete it and then add it back to xcode, this appears to help (
