I search for his movies. I search for "Ali G." I even searched for "Ali G or Sacha Baron Cohen." I didn't find anything, despite the fact that YouTube has an Ali G video. Searching "Sacha Baron Cohen in the Internet" doesn't return anything useful. I am sorry if this question is stupid, and I am asking in the right place. Thank you. A: "Sacha Baron Cohen" is not a real name. What you are looking for is "Ali G". The name Sacha Baron Cohen in no way resembles that of a Jewish Name. It is a German Name "Sachaz" 570a42141b
