Unlike the first film, the sequel provides more of an action element with some more suspense. Sure there are some contrived moments where the plot changes to a new direction without showing the audience the complete picture. Since most of the film takes place in one location (think Little Miss Sunshine), this is fairly easy to do. The fact that there are two characters in each scenario (one from each team) also makes this possible because, well, what have we come to expect from a movie called Now You See Me?.Where to Watch Now You See Me 2 : Watch Now You See Me 2 Online.
