Price: 39.95 My App: 89.5 Downloads: 3 Google Play Rating: 4.1 Price History: 0.0 Reviews 4.4 9,220,170 Total 5,869,762 Users -- About This App If you've always wanted to study in an English-speaking country, then it's best if you take an internationally-recognized test to assess your language abilities. TOEFL iBT Writing Conqueror is a program that was designed to help those who are preparing for this test. The app has a simple interface that should be easy to figure out by all users, regardless of how much experienced they have with this type of programs. The app comes with several powerful modules, namely Practice of Writing, Practice of Synonym Replacement, Practice of Typing, Practice of Refining Sentence and Test Mode. Thus, when practicing your writing, the app provides several topics that you can choose from and provides questions that are similar to those that could come up in a test. While writing, the app provides statistics regarding the number of words. A timer is also available, but it can be hidden from sight if desired. When practicing synonym replacement, the program provides a word and 16 different words. While most have a single answer, others come with multiple synonyms. The correct and wrong answers are displayed with individual colors so they are easier to track. The "Practice of Typing" module basically teaches you how to use the keyboard properly and helps you reach a high speed of typing. The test mode guides you through all the steps of the test and is basically a simulator. This can be very helpful since it provides a similar environment to that of the actual test. The bottom line is that TOEFL iBT Writing Conqueror is a nice tool that can be very helpful to those who want to take this test. Less experienced individuals should find it easy to handle, thanks to the intuitive layout and its overall simplicity. If you've always wanted to study in an English-speaking country, then it's best if you take an internationally-recognized test to assess your language abilities.
