Between the weird hormones and weird bedtimes there's a new world of rules and expectations and occasional panic! I've struggled with the fact that my stomach is getting so big but I have also had to conquer the new world of bruises. The effect of the baby bump on my skin is a bit embarrassing at times. You see, pregnancy can really mess up your skin. I've had several zits, and a handful of rashes that are a real pain to deal with. This rash
