Best FIFA 2017 on iOS sees a major data design overhaul, with more weight put on teams' ratings, statistics and performance analysis. Some features have been slightly tweaked, as a few bugs have been fixed. On October 16, Electronic Arts unveiled FIFA 19, the next installment in its flagship FIFA franchise. Developed by EA Canada, the title brings improvements to its authentic football gameplay, leveraging new data sets for unprecedented levels of performance and detail. FIFA 19 will be available worldwide in early 2019 for the PlayStation 4, Xbox One, PC, Nintendo Switch, PlayStation 3, Xbox 360 and PC. Still the best-selling soccer simulation on mobile, FIFA 19 takes everything you love about FIFA and ups the game. The latest edition of this comprehensive sports franchise features faster, more responsive and more engaging gameplay, as well as several gameplay tweaks and improvements. On top of this, FIFA 19 introduces a brand-new gameplay system called FIFA Ultimate Team, Ultimate Team Seasons and FUT Draft. 9 to 5 FIFA 19 Edition Quick and easy gameplay for when you only have a few minutes to spare Choose your game difficulty Fulfill your football dreams by completing a full career mode Master the global football scene with the new FUT Draft Champions mode Collect and upgrade your dream team from a wealth of player cards FIFA 2019 is the third installment of the popular FIFA football simulation franchise. Developed by EA Canada, the title takes players on an emotional journey to the new FIFA Stadium Series in its new timeline. If you want to experience the beauty and atmosphere of each one, there are six different stadiums to choose from in the all-new gameplay mode. On top of this, the title makes brand-new gameplay changes, which will allow the player to look directly into the crowd to better interact with the atmosphere at a huge new scale. FIFA 2019 will be available worldwide in early 2019 for the PlayStation 4, Xbox One, and PC. Two Seasons of FUT Ultimate Team and FUT Draft on iOS: Free-to-Play Pro Evolution Soccer Game Invites New Experience for iOS Fans Today, Konami announces a few new aspects for its iOS collection, Pro Evolution Soccer 2019 - Season 2. Players will soon be able to get all the new features for free in a test of new ideas. FUT Draft will also be available for free on iOS via the App Store, featuring 50+ FUT Draft cards and the first look at all players' New Player Card Contents

Fifa 22 Features Key:

**What's new in Fifa 22:**

- **Exciting new free-kick systems:** New intelligence in the behaviour of defenders allows for sharper low crosses and more precise long range strikes in free kick situations.
- **New Call of Duty inspired Active Dribbling System:** Be in control of your pace, your movement, your teammates, and your opponents. Master the art of turning who you are, what you can do, and what you want, into purposeful, flowing dribbling actions.
- **New Overlapping:** Support the ball with both feet while moving forward, while darting in and out of the offside line to find space in the opponent's half.
- **New Build-up and Playmaker AI:** Support the ball with aggression and precision. Rely on dribbling, passing or finishing touches to play to your team's strengths and turn the defence into attack.
- **New And attacking playmaker:** For the first time ever, you'll be able to control the play with an AI playmaker.
- **New pack-based "Defend-Next" feature:** Team-specific slide tackles work together to clear opponents out of advanced positions.
- **Designed by fans:** A brand new pitch builder comes with improved functionality that allows you to design pitches using the global environment in a way that never before possible.
- **Become the best player ever:** A new visual upgrade raises the bar for visual fidelity and authentic player appearance. Improved animations and unprecedented realistic environments mean that your best moves and missed chances look, feel, and sound more lifelike. The new kit designs represent the rise of the new era in football, promoting individuality and paying tribute to the fans who make the club so special.
- **Respond to what's in front of you:** Expanded sprint functionality from last year with the power to transition into offensive runs or accelerate on short notice. Directional changes no longer force you to commit to a new course and movement strategy. Players respond to any threat more intelligently while navigating the pitch and the ball.
- **Change of style at every turn:**
