I want to do some editing to a.kml file on a document I have, but I'm not sure if Google Earth has a mechanism for doing that. EDIT: In my case, this would be for a workgroup's administrative brochure. I want to update a file that has been approved, but we have moved it from Dropbox to Google Drive, and now I don't know how to upload it. I think that's what the discussion is about here: Uploading Workgroup Documents to the Public Folder.
