FIFA is the most popular association football videogame series, originating from the 1992 release of FIFA 1. It has been a mainstay of video game history since, and has spawned an incredible amount of variant titles and spin-off games. In a single year, FIFA games have been released on all platforms from arcade to consoles, and the PC version was the first to hit widespread desktop popularity. More than 20 million players have made FIFA history. The game was made for every generation and platform, and has no shortage of users of all ages. The best players in the world compete in its 1 vs. 1 arcade mode, and the single-player Seasons mode has produced names such as Pele, Maradona and Ronaldo. FIFA tournaments run around the globe, offering a range of goals and challenges. Now you can compete in the only official FIFA videogame series: FIFA Ultimate Team™ – an online mode where you select a club with over 80,000 possible players, build a squad in FIFA Ultimate Team™ mode and compete in the premier league, the UEFA Champions League and more. The possibilities are almost endless. Build the Ultimate Team The best footballers in the world aren't the only ones involved in FIFA Ultimate Team™. As your virtual footballing journey takes you through the game's many modes, you can also buy footballers, train them, sell them and even create your own team!
