A prospective randomized study of efficacy of mechanical-assisted swallowing after different degrees of soft palate hemorrhage. Swallowing following soft palate hemorrhage (SPH) involves a risk of aspiration and penetration. Several techniques have been described to reduce this risk, but their efficacy is uncertain. The authors compare the efficacy of mechanical-assisted swallowing (MAS) to spontaneous swallowing (SS) in patients with SPH, with an experimental phase to establish the efficacy of MAS and a prospective randomized study to compare the efficacy of two MAS techniques. In the experimental phase, 36 patients with SPH were randomized to MAS with a proplast spoon (MAS-SP), MAS with a proplast rod (MAS-SR), or a conventional procedure (control group, CG) and

### What's new in Fifa 22:

- **New gameplay mechanics: Player-to-player finally comes to life. It's been two long years of listening to FUT players explaining how their characters feel, but now we're introducing another level of dynamic feeling. Players will have more contextual responses when making passes and when receiving passes, and decisions will have different outcomes depending on how you make them.**
- **Player-to-player has a completely overhauled stamina and fatigue system, to really bring our player-to-player on and off-the-ball actions to life and fully recognize their importance.**
- **To optimize the overall experience of player-to-player, EA SPORTS Hyrbid now brings you more contextual services than ever before. Expect subtle, dynamic player models on the ball, new animations that react to every movement, and new looking ball and player models. Go change your appearance, change your club, then play with someone new, the decision is in your hands.**
- **Style your club the way you want. Grab the creativity tools that are now available in FIFA and create your own team. Put your name on your stadium as you go through the process of designing a club and create the perfect face for your new club.**
- **Play to your strengths. No longer is being a prolific goal scorer enough. We've evolved player creation in a way that will allow you to make your own unique footballing style. No longer is overpowering physical ability enough. If it sounds like you have the ability to score goals, you can now rise to the top through the ability to effectively manage your team's chemistry and build a balanced squad around individual traits.**
- **Improved online and offline gameplay. Fight for domination online and play with longtime fans wherever you are.**
- **A brand-new FIFA Ultimate Team Manager. Manage your squad as you've never seen it before with a clean, new, and intuitive UI.**
- **Fully integrated FIFA coaching modes return, with a new game-mode, Active Touch, that continuously allows you to improve your players and shape your team.**
- **New Ball Physics: Every player movement is transferred to the ball in smooth, realistic ways. New tempo-based controls give you faster ball heading.**
