chennai in the 1950s was all about politics, and songs from those years have a particular importance. "tamil songs are all about acting," hariharan says. "tamil film music is an extension of a specific audience, and the songs are very specific to the changing political landscape." hariharan's video is a collection of the most important songs from that era. a song by the name of kadalai solla is a classic example of how strong the tamil film music industry was. it was composed by m k devarasan and lyrics by kannadasan, and it was sung by m g ramachandran and s ramakrishnan. the song was a huge hit, and the song is often cited as the reason for the film's success. given the film industry's obsession with song and dance, it's not surprising that the songs from tamil film songs have such a large number of listeners, and that the tamil film industry is so significant in the modern world. but what do all of these songs have in common? hariharan has put together a list of some of the most important songs from the 1950s, and the list is a perfect illustration of the changes in music and politics that have made tamil films into the mega industry that they are today. the most important songs from tamil film music have always been political, and political songs from that era have the power to change the world, and this list is a perfect illustration of that. for hariharan, it's all about the way that people communicate, and he says that the songs from tamil film music have the power to change the world. there have been some important political songs in the past, and that has always been true, but the films themselves have always reflected the times that they were made in. this list is a perfect illustration of that.

The abbreviation SGAT, which is often used for Sangeetha Ganam Academy of Music was a programme by the government for training young students in music. This academy was established by the government on 21st July. Since then every state government has their own music academies. The Tamil Nadu Music Academy which was for women was set up in 1982. While the Academy for men is called Sangeetha Kalanilal Rahman Academy of Music. Tamil Nadu Music Academy for Women has trained many talented artists. It also sent a number of artists to the international stage. The academy which was established in the year 1982 was in Chennai. The new academy is in the city of Coimbatore and its location is on the Pudur road. There are a lot of theatres and movie halls located in the backwaters of Chennai. Among all these places Chennai is known for providing maximum ease and comfort for the patrons. The theatres located in the major towns in Tamil Nadu are thus considered as first class. These theatres are equipped with modern amenities, such as air conditioning, indoor and outdoor screen and other modern facilities. Apart from these theatres, other theatres are located on the roads at the outskirts of major towns, are also common. This is quite rare now days. In such scenes, the sound of air conditioners is not heard. This makes the movie halls on the roads popular. The popularity of these theatres, especially those having individual screens, has increased a lot. Such theatres are considered as second class. This paper aims to review the architecture, location, and the audiences of the movie theatres in the backwaters. 5ec8ef588b
